I'd like to join Green Mountain Girls Farm Share Program. In submitting this form, I agree to the "[Farm Share Policies and Agreement](#)". I understand that this is a financial commitment and that there is no specific guarantee regarding the selection of produce, but that I will be able to choose from the farm's seasonal and stored products each week.

FARMSTAND MEMBERSHIP

Farmstand members can choose freely from what is available each week and accounts are charged for each item chosen. Discounts will be applied to your account monthly based on your anticipated spending level and will be rectified at the end of the year based on actual total spending for the year.
