In submitting this form, I agree to the Farm Share Policies listed below . I understand that this is a financial commitment and that there is no specific guarantee regarding the selection of produce, but that I will be able to choose from the farm's seasonal and stored products each week.

☐ FARMSTAND MEMBERSHIP

I'd like to join Green Mountain Girls Farm Share Program. Farmstand members can choose freely from what is available each week and accounts are charged for each item chosen. By committing to shop at the farm each month throughout the year you support the farm and earn yourself a discount. Our two levels are: (based on annual household spending at the farm):

- 10% off all purchases for months you spend \$200-\$399
- 20% off all purchases for months you spend \$400 or more

Discounts will be applied to your account monthly based on your actual spending and a credit will be added to your online farmstand account in GrazeCart.

Farm Share Details, Policies and Requests

What is different about our farm share? Our farm share is non-traditional in that **you choose** what **items you want** and **how much you want** of each. This enables individuals or households of any size to join and satisfies everyone, from omnivores to folks with restricted diets.

Eat around the farm

- Free choice allows you to choose the food you like yet we ask you to be aware that our hilly landscape provides a range of soils and microclimates which enable us to grow a variety of vegetables and fruits, yet limits our ability to grow large amounts of any one thing. Members agree to enjoy the staples that grow well here and to explore the diverse range of products which harness the farm's strengths throughout the seasons.
- All pork isn't bacon! We ask members to try a diverse range of the pasture-raised products in the spirit of "nose to tail", minimizing waste and maximizing nutritional and farm value.

Enrich and respect farm culture, rules and limits

- Stay in touch by reading the weekly announcement section of the newsletter

- Inform us of any concerns, interests or uncertainties with a product or about your "farm share".
- Follow farmstand signage and/or newsletter guidelines for items in limited supply
- Follow and help clarify when necessary farm share member benefits guidelines.
- Clean and return jars, lids, plastic containers, egg cartons
- Follow order process and timeline and respect farmstand hours.

Payment & Discount details

- Create an account at our online Farmstand in Grazecart and maintain a current credit card at that account. Each purchase will be charged to that credit card.
- The discounts will be calculated for each calendar month based on that month's purchases and the appropriate credit will be applied directly to your online farmstore account in Grazecart. Those credits will then be applied to your next purchase.
